2010 Ocean City Convention Secondary Lodging Options

The MSFA Convention Committee has worked with the Ocean City Hotel, Motel and Restaurant Association along with the Chamber of Commerce to negotiate special rates at each of these facilities for use by our membership. While we are using the Harrison Group Properties as our first band of housing opportunities, we understand that a greater choice of venues must be made available to ensure that everyone who wants to attend the convention can. Please note that rates do not include tax unless noted and most rates are based on two people and hotels may charge extra per adult or per child. Contact hotels directly at numbers listed for all details.
