

Maryland State Firemen's Association

PROCEDURES TO OBTAIN MSFA LOGO TAGS

You must receive forms TCC and VR124 (08-02) from me. This can be done by calling my home, having a representative from your station see me at an Association meeting or mail a copy of your registration and a note from your station confirming that you are a member plus \$ 5.00 in cash. The registration helps me to fill out form TCC. I also need to know if the member is different than the owner. This happens when a young member drives their parents' car etc...

Once you receive both forms you have three options:

Go to you local M.V.A. and apply for tags. - Tags will be mailed to you.

Go to Glen Burnie MVA - pick up tags.

Mail both forms to MVA. - include both forms in an envelope and mail to:

M. V. A.
6601 Ritchie Hwy.RE.
Glen Burnie, MD. 21062
Attn: Laroue Saucer * 104
Tel. 1-800-950-1682 or 1-410-787-2968

If you mail forms you must take your old tags to your local MVA within 7 days after your new tags arrive.
