

Maryland State Firemen's Association
Search and Rescue Committee
ESF-9 Resource Directory

August 2011

Todd Johnson, Chair
Mike Berna, Vice-Chair

The resources listed in this directory are those supported by volunteer fire/rescue companies in Maryland. They have been vetted against the NIMS Typing and Credentialing standards by the respective agency representatives at the instruction of the MSFA SAR Committee. Activation outside of normal mutual aid agreements will require official requests up to and including a MEMAC request.

Any request for the above listed resources must go through Baltimore County Dispatch center, then approved by the Director of Special Operations. The above listed volunteer assets do not have the authority to self dispatch above and beyond mutual aid leaving the county with out coverage unless approved. The Advanced Tactical Rescue Team supplements our response if needed. We operate as a county system and will mix and match career and or volunteer assets to form typed teams if needed.
